

*Bar*  
**TIGER**

The logo features the word "Bar" in a black, cursive script font, positioned to the left of the word "TIGER". "TIGER" is rendered in a very bold, black, sans-serif font. Above the "TIGER" text is a large, stylized, black-and-white graphic element consisting of several overlapping, swirling, leaf-like or flame-like shapes that create a sense of motion and energy.
